

## REMARKS

The applicant has amended the claims in response to the examiner's rejections. All amended claims should now be allowable.

The applicant respectfully brings to the attention of the examiner an error in the office action dated June 29<sup>th</sup> 2005, namely that claims 31 and 32 were not withdrawn. The applicant's response to the office action dated October 6, 2004 canceled claims 32 and 33, and left claim 31 in its original form. Claim 31 was not withdrawn, it was left original, claims 32 and 33 were not withdrawn either they were canceled.

Applicant has enclosed a check for \$50 to cover the cost of new claims.

## CONCLUSION

For the foregoing reasons, applicant's claims are patentable over the cited prior art and the application should be in condition for allowance.

Respectfully submitted,

---
